Prelude and Welcome

Although the major focus of national celebration in the Year of Our Lord 2026 in the United States is the 250th anniversary of the signing of the Declaration of Independence, there is another memorable anniversary to be noted as well: 2026 is the 235th anniversary of the ratification of the Bill of Rights by the first US Congress. The very first words of the very first amendment within the list of additional guarantees added to the Constitution of the United States in 1791 known as the Bill of Rights states: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof." That solemn guarantee enables us to gather freely to worship God without fear of disturbance or reprisal. As we gather, we can reflect on what a blessing religious freedom is ours in this God-blessed nation. Happy anniversary, United States of America!
